

REGISTRARS

A limited number of positions are available for Registrars (RP1), depending on their disciplines, for the (July) 2020 intake at the following training centres.

Sefako Makgatho Health Sciences University – (Ref. GAUSMU-0220-001)

University of the Witwatersrand (Ref. GAUWITS-0220-001)

University of KwaZulu-Natal (Ref. KZNUKZN-0220-001)

University of Cape Town (Ref. WNCUCT-0220-001)

University of the Free State (Ref. FNWUFS-0220-001)

University of Stellenbosch (Ref. WNCUS-0220-001)

University of Pretoria (Ref. GAUUP-0220-001)

The individual will undergo specialist training in one of the following disciplines: • Anatomical Pathology • Chemical Pathology • Clinical Pathology • Medical Microbiology • Haematology • Medical Virology. During this period, the candidates will be expected, amongst others, to undertake duties in various areas and teach undergraduate medical student. The Registrar training in the NHLS is for a period of 4 – 5 years depending on discipline.

Successful candidates will be remunerated in line with the DPSA salary for registrar and in line with the NHLS conditions of employment.

Requirements: ■ An MBChB/MBBCh degree for all discipline. Registration with HPCSA as a Medical Practitioner (Independent Practice).

Interested persons who meet the requirements are invited to send their (1) concise application motivation letter (2) Concise CV (3) Certified ID copy, (4) qualification(s) (5) academic transcripts and (6) compulsory minimum of 2 confidential relevant professional reference (submitted directly by the referee to the NHLS) prior to closing date for applications to the National recruitment and Selection Department of the NHLS via email: aarqahr@nhls.ac.za

Applicants are encouraged to visit the university's website for more information on the discipline and the specific university requirements, and to proactively engage with the Head of Academic Departments to gain a proper understanding of the Department/ Division and to arrange for proactive visits to the Department/ Division where possible.

Enquiries can be directed to the Human Resources administrator: Ms Mathapelo Dlamini on 011 386 6099.

Applicants must ensure that their applications have been received. Due to inherent job and operational requirements, the applicable pre-employment screening and relevant qualification verifications will be performed on successful candidates. Correspondence will be limited to short-listed candidates only. If you have not heard from the NHLS within 2 months of the closing date, please accept that your application was not successful.

Please note that the interview process may include a basket of assessments, including aptitude, psychometric and other assessments.

The NHLS is an equal opportunity, affirmative action employer. The NHLS Employment Equity targets will guide the filling of positions. For further information about the NHLS, please visit careers@nhls.ac.za.

CLOSING DATE: 06 March 2020
