INVITATION FOR PROPOSALS

The (NHLS) invites suitably qualified bidders to submit proposals to provide technical assistance to the NHLS for Receivables from Exchange Transactions and Receivables from Non-Exchange Transactions.

Note: The technical support will only be for Receivables for exchange transactions and receivables for non-exchange transactions and no other components of the annual financial statements

As stipulated in section 55(1)(a) of the Public Finance Management Act, Act No 1 of 1999 Accounting Authority must prepare annual financial statements for each financial year in accordance with Standards of Generally Recognised Accounting Framework and must submit those annual financial statements within two months after the end of the financial year to external auditors and National Treasury.

The NHLS and SAVP uses the Oracle as the Enterprise Resource System and CaseWare for preparation of the Annual Financial Statements. For the 2025/26 financial year, the NHLS must submit its consolidated and separate annual financial statements on 31 May 2026 and therefore the significant portion of the review must be finalised prior the submission of the AFS to the relevant authoritative structures such as EXCO, Finance Committee, Board Audit & Risk Committee and the NLHLS Board.

The majority of the NHLS debtors' book comprises of amounts owed by the provincial debt of health, approximately 92%, as these are the NHLS primary customers. Over the years the provincial debt of health has struggled to pay for the services rendered by the NHLS in full and timeously. Therefore, the NHLS carries a large amount for the impairment of the debt as processed in line with GRAP 104.

The NHLS have experienced challenges with the GRAP 104 calculation over the last two financial years, and the external auditors have concluded that the calculation is not in line with the relevant accounting standards. Over the last two financial years, the receivables from exchange transactions and receivables from non-exchange transactions balances have been qualified in the annual financial statements

As at 31 March 2025, the NHLS receivables summary is as follows:

Description	Total Debt	Impairment	Net Debt
Receivables from Exchange Transactions	9 846 180	-6 608 014	3 238 166
Receivables from Non-Exchange Transactions	291 768	-151 795	139 973
